HanMade Arts & Crafts/HanDyed

CEO + FOUNDER
April 2020 - Current

During the beginning of the Covid19 pandemic, I started HanDyed as a way to spread some happiness and love to combat the uncertainty everyone was feeling! I handmade and design custom tie-dye clothing for customers around the world out of my parent's basement. HanDyed quickly evolved into HanMade Arts & Crafts where I deepened the product line and was able to dive into other mediums. I am ever-growing passionate and love doing this business! It's a great way for me to combine my design degree and passion for crafts.
